# Join HOBO

Details about annual membership dues and donation opportunities can be found on our website. You can join online or mail a paper application with a check for your dues and donations.

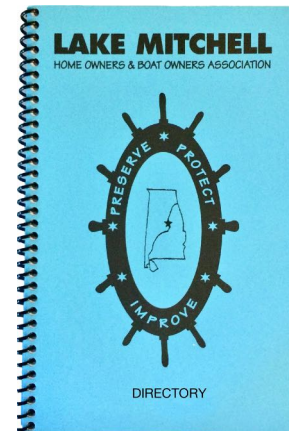

HOBO divides the lake into 16 geographical areas. Each area has an Area Representative. Your Area Rep can assist you in joining and can tell you how you can become involved.

HOBO is an all-volunteer organization. Officers are elected at the Annual Meeting and leaders meet quarterly to conduct the business of the organization and to plan the lake-wide events. All members are invited to attend HOBO meetings.

Lake Mitchell HOBO provides a great way to get to know your lake neighbors through lake-wide social events such as the annual picnic and the poker run. HOBO also provides a way for you to get involved in helping protect our lake environment with events like lake cleanups and fish habitat enhancements.
